

PEDALS, PIPES AND PIZZA

On Saturday, October 22, 2016, the Greater Kansas City Chapter of the American Guild of Organists will be sponsoring **Pedals, Pipes and Pizza** - a program designed to introduce young musicians to the pipe organ. All pianists between 11-16 years of age are invited. The program will be hosted at Second Baptist Church and Liberty Christian Church in Liberty, Missouri. Members of the chapter and the host churches will be available to help the students to explore and learn about the pipe organ.

Following introductions, the students will hear, see and play the pipe organ. The students will learn about similarities and differences between the piano and a pipe organ, they will enjoy an informative performance of *Rex, The King of Instruments* for organ and narrator, explore the pipe organ chambers and have a chance to play a piece on the organ. Of course there will also be pizza for lunch. Following lunch we will travel down the street to Liberty Christian Church to explore that instrument also.

There is \$10 registration fee per student payable in advance to reserve a spot for the event. A parent is welcome to attend the event with the student. Each student should bring a prepared piece to play on the pipe organ keyboards.

Direct your browser to <http://www.kcago.com/pedalspipespizza.html> to download a registration form for the event. We will limit the event to 20 students.

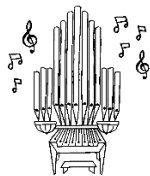

Help us spread the word and interest for this event. For more information or with questions, send an email to dean@kcago.com.
